- एतावत गीयते कथ्यते -

Though this is said to contain 10 verses, it has three more in some recensions, and they too are included in the end (11-13).

The metre used for these verses is

called **সম্ব ঘা**টি the cadence of hooves of horses, meaning that Mother Nature's gait is not slow placed, nor hurrying, but rythmic and rational. So the chanters are requested to know each word, hence they are painfully cleaved, blend it with the other and then rythmically chant. Then only you can listen to its beauty. Desiraju H. Rao.

The verses appears to be known as kAlikA stuti or devI praNava dashashlokI stuti.

This is (perhaps wrongly) attributed to Kalidasa and also to Swami Vivekananda.
