Smt. Pushpa Srivatsan, a staunch Bhakthai of Saint Tyagaraja, possesses unique knowledge of music and insight into the Saint's life purely out of her own inspirations. She has created a Sahasranamavali, a Pancasati, a Trisati, an Ashtottarasatanamavali a Gadyam and Mangalashtakam on Sri Tyagarajaswamigal in beautiful Sanskrit. They are thrilling revelations, excellent in style and substance, to be cherished by all devotees and music lovers. They are very useful for prayer and worship.

May Sadguru Maharaj shower His choicest blessings on her for all success in her mission.
