Introduction

=====

From time immemorial man has been preparing to face uncertainties and struggling to overcome difficulties in life. Broadly speaking the difficulties and conflicts he faces can be categorised as physical on the one extreme and spiritual on the other, intervened by various other stages like ethical, intellectual, emotional, filial, occupational, professional, societal, national and so on. While enormous education, training and efforts go into tackling difficulties, conflicts and uncertainties at the basest physical level onwards, these are waning with the progression to the noblest spiritual level. It is towards strengthening in this direction that man has evolved rituals and faith in that Universal Power and set out in search thereof. Ideally, man should turn everything he does into sacred with a view to know himself and his God and towards this strengthen all his faculties. SandhyaA vandana, worship of Gods three times a day at the junctures of Night-Morning-afternoon-evening, invoking their blessings and strength, is one such important activity.

Brahmanas

=====

A Brahmana deserves to be called so only when he conducts himself in the ways approved in the scriptures and also performs at least the basic ritual called trikAla

SandhyA-vandana. SandhyA vandana is a daily duty for a Brahmana after upanayana. It is very auspicious and sacred also. TrikAla SandhyA vandana means paying obeisance to the Lord, three times a day, i.e., during sun rise, noon and sun-set. It is called SandhyA Vandana also because the obeisance is offered at the junctures of 1. Night and day, 2. morning and afternoon, and 3. Day and night. The first one, prAtaH SandhyA, is performed when the sun is about to rise and the stars are still aglitter in the sky. The second one, mAdhyAhnika, is performed during the noon time. The third one sAyaM sandhyA, is performed just before the sunset. These junction times are regarded as highly sacred for this purpose.

Preparation

=====

The basic preparation is to cleanse the body externally. For prAtaH SandhyA, it will be by means of the morning bath and for the other two it will be by means of washing the legs, hands and face. After this, You will wear clean clothes specially meant for this purpose. The practice is to wear a dhoti and a shalya.

Thereafter, quietly sit on either a kRiShNAjina (deer-skin seat) or on wooden plaque placed on the floor, in the pooja room (select some other neat place if pooja room is not available. While for prAtaH SandhyA you can face either East or North, for the other two you have necessarily to face North. Keep readily available minimum three vessels, two with clean water (one for Achamana and the other for Arghya) and ladle (spoon) and the third one empty (arghya pAtra). Also ensure that you have complete privacy during the whole process and avoid external noises like music systems, TV,

talking to others etc.

You will also take the following steps for prAtaH Sandhya only. Keep a set of mudras (five metallic stamps with different shapes explained later) and gopichandana (a special variety of mud ball). Then, apply gopichandana on your body. Generally, if available, nirmalya tIrtha (holy remnant water after deva pooja by self or someone) is used for this purpose. In case of unavailability of nirmAlya tIrtha i.e. Arghya Water can also be used.

Start the process invoking the blessings of the Lord by reciting the following mantras.

श्री लक्ष्मीवेङ्कटेशाय नमः ॥

श्री गुरुभ्यो नमः । परम गुरुभ्यो नमः ॥

श्रीमदानन्दतीर्थ भगवत्पादाचार्य गुरुभ्यो नमः ॥

श्री वेदव्यासाय नमः ॥

हरिः ॐ ॥

गोपीचन्दन पापघ्न विष्णुदेह समुद्भव ।

चक्राङ्कित नमस्तेऽस्तु धारण मुक्तिदो भव ॥

Simultaneously, place a spoon of water (either nirmalya or Arghya Water) on the left hand palm, take a piece of gopichandana, rub vigorously and prepare a paste of gopichandana. Apply this paste at 12 places in the body - one on forehead, three on abdomen, one on chest, one each on shoulders, all 4 parts of neck, one on bottom of back-bone just above trunk and one on top of head. Then, one more is applied on the right side of the chest. Some people do also apply a similar final mark on the left side of the chest, if this is the tradition that they have been taught as per their sampradAya (custom).

While applying, recite Keshavadi Dwadashanama (explained below), one nAma each for one application.

The order for applying nAmas are – on the forehead (keshavAya namaH), center of abdomen (nArAyaNAya namaH), chest (mAdhavAya namaH), front portion of neck (govindAya namaH), right side of abdomen (viShNave namaH), right shoulder (madhusudhanAya namaH), right side of neck (trivikramAya namaH), left side of abdomen (vAmanAya namaH), left shoulder (shrIdharAya namaH), left side of neck (hRiShIkeshAya namaH), back side (above tunk) (padmanAbhAya namaH), back side of neck (dAmodarAya namaH) and on the head, on the chest (shrIVatsAya namaH).

The shapes of the paste applied will be as follows. On the forehead : one set of vertical parallel lines (first apply the paste with the forefinger and later run through it with a wet cloth/finger). On the chest: heart (lotus leaf) shape. On the shoulder: leaf shape (preferably with a stem). Elsewhere: deepAkAra (burning candle light shape). Concentrate on the mantra and quickly go through the process of applying the paste instead of trying to perfect the shapes.

After applying gopichandana, apply mudras as follows in that order.

chakra mudra: one on right side of eye, five on centre of abdomen, three on heart, two on right of abdomen, three on right of chest, two on right shoulder both sides of nAma, two on right of neck, one on front of neck, one on left shoulder below the nAma.

shankha mudra - one on left side of eye, one on left of abdomen, two on left of chest, two on left shoulder both sides of nAma, two on left of neck, one on right shoulder below the nAma.

gadA mudra - one on forehead, one on left of abdomen, one on left of chest, two on left shoulder both sides of nAma below shankha mudra.

padma mudra - two on chest, two on right abdomen, two on right shoulder both sides of nAma below chakra mudra.

nArAyaNa mudra - one each overlapping on all mudras and nAma.

प्राणायामः (2)

(This is preamble for Gayatri Awahana i.e. welcome, for this Sri Hari or ParamAtmA is RiShi devatA and devI gAyatrI is Channdassu. Practice of prANAyAmah cleanses one of impurities and provides a resurgence of spiritual energy to revitalize one's sAdhana.

In order to extinguish the sins or effect of base deeds in the previous night for prAtaH SandhyA this verse is uttered. The pramAna says that this mantra will destroy all the sins committed previously or previous night if it is prAtaH SandhyA, morning if it is mandhyanika SandhyA and it is afternoon till

evening if it is sAyam SandhyA.)

ॐ प्रणवस्य परब्रह्म ऋषिः । परमात्मा देवता ।
देवी गायत्री छन्दः । प्राणायामे विनियोगः ॥

ॐ भूः । ॐ भुवः । ॐ स्वः । ॐ महः । ॐ जनः । ॐ तपः ।
ॐ सत्यं । ॐ तत्सवितुर्वरेण्यं । भर्गो देवस्य धीमहि धियो यो नः
प्रचोदयात् । ॐ आपोज्योतीरसोऽमृतं ब्रह्म भुर्भुवःस्वरोम् ॥

(A married man should hold the nose in all His five fingers while performing this and bachelors and saints/seers should hold through three fingers i.e. index, thumb and small fingers. This prANAyAmaH has three parts to perform and it is called rechaka, pUraka and kumbhaka. To start with one has to leave the air from right side of the nose (1 unit of time) that is called rechaka, secondly one has to inhale the air from left side of nose (2 units of time) i.e. called pUraka and finally holding the air for 3 units of time i.e. is called kumbhaka.

Meaning of this mantra is as follows : OM = ParamAtmA who has all the virtues is to be called OM, bhUH = gunapUrna (complete virtues or characters), bhuvah = wealthy and never become pauper or most prosperous, svaH = always happy, mahaH = prayed as the best or excellent, janaH = creation of the world by Him, tapaH = one who has the complete knowledge, satyaM = one who controls or decides about the liberation.

yaH = this paramAtmA, naH = ours, dhIyaH = mind, prachodayAt = initiates, tasya = of this paramathmA, savituH = cause of creation, devasya = special characters, vareNyaM = prayed by all, bharga = paramAthmA in knowledge form, dhImahi = pray for Him.

Apo = paramAtmA, jyoti = cause of brightness, rasaH = has got essence or substance or Ananda rUpa peaceful, amRitaM = does

not have extinction, bhUH = complete virtues or characters,
bhuvaH = prosperous and wealthy always, svaH = always happy,
OM brahma = all virtues of ParamAtmA, dhImahi = praying for You.

The gist of this verse is:

Sri Hari in the form of Sri Gayatri is complete with all divine virtues, always prosperous and wealthy, always happy, considered to be the best or excellent, one who creates this world, one who regulates this world and one who is being prayed by all of us.

Further, Sri Hari or paramAtmA also has the power of creating the brightness (enlightenment), does not have extinction, has complete knowledge, is always prosperous and wealthy and has got complete virtues, is the paramAtmA (Supreme Being) whom I am praying.)

(For any prayer or performance of any sacred work whether it is Sandhya, puja, yagna, or any ritual performed by any individual this customary sankalpa has to be narrated. It denotes the commitment and determination of the performer to rightfully and sincerely perform such sacred rituals. Here in this sankalpa it is nothing but remembering which of the samvatsara (year), period or season (Ritau), month (mAsa), the half of lunar month (pakShe), lunar day (tithau), day (vAsare), star of the day (nakShatre) has to be according to the calendar. KAla, i.e. kAladevata is equally God. Even one has to remember that the prayer is initiated by paramAtmA and to get His blessings and love, I am performing the respective ritual. This is a must as it has been understood that without this sankalpa the prayer or ritual will not materialise or not received by the God.

The need for this is to totally concentrate on the present moment instead of the usual mind's habit of either brooding over the past or dreaming of the future.)

मार्जनम् (4)

(Keep a spoon or ladle of water (Arghya Water) in the left hand and from tulasi or basil leaves sprinkle the water in three different directions to the organs of the body. Firstly one has to sprinkle feet, centre of the head and heart, secondly heart, feet and centre of the head and finally centre of the head, heart and feet like this one has to sprinkle three ways or nine times)

ॐ आपोहिष्ठेति अर्चस्य सूक्तस्य । सिन्धुद्वीप ऋषिः ।
अपो देवता गायत्री छन्दः । मार्जने विनियोगः ॥ (4.1)

ॐ आपोहिष्ठा मयो भुवः । ता न ऊर्जे दधातन ।

तस्मा अरङ्ग मामवः यस्य क्षयाय जिन्वथ ।
आपोजनयथा च नः ॥ (4.2)

(mArjanam means cleansing or scouring. It is again purifying the body and mind for offering Arghya and chanting Gayatri mantra.

For Rik mantras sindhudvIpa is RiShiH, paramAtmA is devatA and Gayatri is Chandassu.

Here is the substance of this verse. It is prayer to Water related devatAs (aqua-Gods).

" Hey, Water related devatAs, You are bestowing on us happiness by causing the water to flow, and You bless us with grains and other related needs and also confer on us devotion and knowledge towards Sri Hari which guides all of us in the path of liberation. "

" Hey, Water related devatAs, You are auspicious, You are very eminent, You are bestowing on us happiness and joy and confer on all of us love like mothers feeding and protecting their newborn kids. In order to destroy the sins which we have committed and also to acquire knowledge we are praying Sri Narayana who is omnipresent in the water and whom we are praying to bless us to lead a happy life and also to liberate us at the earliest.) "

जलाभिमन्त्रणम् (5)

(While uttering this, take a spoon of water (Arghya Water) and sip it after completing the following portion)

सूर्यश्चेत्यस्य मन्त्रस्य । नारायण ऋषिः ।

सूर्यमामन्यु मन्युपतयो रात्रिर्देवता ।

रात्रिस्तदवलुम्पतु । यत्किञ्च दुरितं मयि ।

इदमहं माममृतयोनौ सूर्ये ज्योतिषि जुहोमि स्वाहा ॥ (5.2)

(The verse which has started with sUryascha, Narayana is Rishi, manyupathi ratri niyamaka durga is devatA and it is in prakRiti Chandassu.

" Hey, paramAtmA, You are the one who controls the Sun who is very bright, You are the one who controls Sri Rudra who is known for His wildness You protect us from the sins which are caused by the ferocity and the initiatives of Sri Rudra devatAs. "

" Hey, paramAtmA, please also protect me from not committing sins like, sins during night times, sins from mind, sins by mouth or talking or speaking, sins through hands, sins from feet, sins from belly and sins through the sex organs. If I commit any sins, ratriI abhimani (related) devatA should bless me to wipe it off and if any of my sins are over, I am performing homa (burnt offering) of the same to You i.e., Sri Narayana who is shining in the form of Sun .)

(The first three verses are already dealt in mArjanam para (4).

" Aapshabda vAchyA Sri ParamAtma, You bless us with the wealth of needs like drinking water, happiness and good health. "

(6.3)

" Aapshabda vAchyA Sri ParamAthma, the grains which are grown through water mainly referring to rice and like food grains, You are the owner. You confer on us the knowledge of medicine to destroy sAnsArik troubles for two and four legged animals. "

(6.4)

" There are different medicines in water which can cure many diseases. Hey, ParamAtma You have manifested in the form of

of water to bless us with the knowledge to understand these curative medicines. " (6.5)

" Hey, ParamAtma, bless us with the preventive medicine i.e. knowledge for all diseases of my body and soul so that for long time I can visualize You in my life. " (6.6)

" Hey, ParamAtma, if I have committed any sins, if I have betrayed anybody and if I have cursed anybody or if I have mistaken any body please pardon me. " (6.7)

" Hey, ParamAtma, now I am following Your directions and Your principles and I am drowning in water, You are like fire in the water and rescue me and infuse in me Your energies. " (6.8)

There is a definite relationship between water and Narayana. Sri Hari is incarnated and is omnipresent in water. Sri Hari created water-related amruta (knowledge) to lead us towards liberation. For this purpose He created day and night abhmimani (related) devatAs. For acquisition of knowledge and protection of my body (from any diseases) I am welcoming You (Narayana) to reside in my soul and body. (6.9))

This verse is from pApaparihari RishiH, satya and bhakti devatA and anuShTup Chanddassu . You should have the feeling that in order to extinguish the sins committed you are offering, symbolically, a spoon full of water. (7.1)

Before Brahma thought about anything, ParamAtma created truth, from the same ParamAtma night was born and from the same ParamAthma ocean was born.

ParamAtma, the supreme head of everything, created the following in that order: four-headed Brahma, night, day and all kinds of living beings.

ParamAtma, one who is the cause of creation has created first the Sun and the moon, then He created heaven, then He created the universe, then He created the sky and then He created heavenly bodies. (7.2))

(Pratah Arghya should be offered facing the Sun i.e. facing East, you should be in standing position, seeing the Sun, both the hands should fold make like cow's face or bowl and it should be up to your nose's height.

Write this figure (yantra) and words (preferably in devanagari script) using your small finger in the bowl where arghya offering water (Arghya Water) has been kept:

ॐ

There is story behind this offering Arghya : Mandeha's were powerful AsurAs (demons) and they are devoted to Sri Brahma. They got a boon from Him that even if they die one day they should be born the next day. They were trying to consume the Sun God himself as a result of these Arghyas; Whenever they were killed, because of Brahma's blessings they are born the next day. It is believed this process goes on even now. In order to kill these AsurAs and to protect the Sun God

for illuminating all of us, we have to offer three Arghyas on each occasion. Three Arghyas are offered as follows: the first one is to destroy the AsurAs' vehicle, the second to destroy their weapons and the third to kill them. This story has been explained in Vishnu Purana of 8th chapter.

If the prescribed time for performing Sandhya has passed, You have to offer the fourth Arghya as compensation.)

(For pratichakShva verse VashiShta is Rishi, Moon and Indra are devatas and anushTup Channadassu. This verse is for obtaining eligibility and capability for offering Arghya and protection of the soul.

The presence of Moon and Indra is invoked to watch out AsurAs see that the later will not spoil the process of performing Sandhya and prevent the performer realising the benefits thereof. It is believed that both Sun and Indra are capable of killing or destroying these AsurAs, who cause impediments and even destroy the process of performing sacred rituals. The Lord Indra, the head of devatas, uses His weapon, Vajrayudha for the purpose.)

(DevatA tarpaNa should be given to every day. For shukla pakSha (first half of lunar month) devatA tarpaNa is given with the first 12 names of Vishnu (keshava etc.) and during krishna pakSha (second half of lunar month) it is given with the 12 names starting from sankarshana. The procedure for giving tarpaNa is: take one ladle full of water from Arghya Water in left hand and pour it on right hand fingers so that it falls through the fingers (except thumb) to 'Arghya PAtra'. This tarpaNa should not be given on ekadashi, gokulAShTami)

(This verse is from Vamadevaka namaka ParamAtma, Bhutani devatA and anuShTup Chandassu.

Meaning : All AsurAs living on this earth should disappear. Those AsurAs who obstruct good and sacred work should be destroyed by the orders of Sri Rudra devatA.

It is a prayer to the existing devatAs who are present in different forms and taking their permission to start the sacred SandhyA and request or pray to them to destroy all AsurAs, devils etc. who are obstructing the ritual.)

(Those who have got the upadesha of tatvanyAsa, mAtRikAnyAsa etc., should do them here. AsanashuddhiH will be a part of that. After tatvanyAsa and mAtRikAnyAsa, do Gayatri Japa and nArAyaNa aShTakShara mantra japa, followed by any other mahA mantra, then again mAtRikAnyAsa and tatvanyAsa then sandhyopasthAnam (which will be posted later))

(Parvasu was killed, I am living in the hearts of arvasu. This has been told by Surya (Sun). By reciting this cut a thread of the cloth worn by you and make two small pieces. Throw the one on the left hand, on the left side and keep the other under the seat.

Silently think like this. Earth is like four poles i.e. four sides (North, South, East and West) having a seat like the turtle/tortoise (referring to kurma incarnation). I am sitting on that. ParamAtma is sleeping on top of snake (shesha) bed. I am bowing to You. I am bowing to Vishnu Kurma (tortoise) one who is protecting the earth (Brahmanda) from destruction.

For Prithvi verse merupRiShTha is Rishi kUrma (tortoise) is the devatA sutalam is Chanddassu. After this, settle on the seat for chanting Gayatri MantraH.

Prayer to Prithvi i.e. earth. All regions of Loka are covered by You, Prithvi Namaka Daivi, You are decorated by Vishnu vakya ParamAtma. Hey, Prithivi, You authorise me by purifying the seat where I am sitting. Prithivi, You also purify me. You are very special and I am bowing You. By uttering this, touch the seat and bow to it.

ParamAtma is called as OM; He has got the form of Brahma and Agni devatA. Like the same Brahma is Rishi, Gayatri Chanddassu and in the form of OM.

'AyAtu' verse is to welcome Gayatri. For this verse Vasudevaka

ParamAthma is Rishi, Gayatri Pratipadya Narayana is devatA and it is in anuShTup Channdassu.

" Hey, Wealth bestowing devatA, bless us with Brahma verse (Gayatri) which is immortal and is considered to be the mother of all Vedas (Gayatri); Please bless me Para Brahma (Gayatri verse). By uttering this Gayatri verse all the sins committed by me in my daily life will be destroyed (extinguished). "

" I am praying to ParamAthma, who is in the form of Saraswathi who is also Sandhya devatA and knowledge devatA. Please extinguish, through the night related devatA who is none other than Sri Hari, all my sins committed in the night. "

This is a prayer to ParamAtma who is in the form of Gayatri. Hey, ParamAtma - You are instrumental for everything, You have all the patience, You have all the powers, You have the vision, for devatAs You are Sharanya (protecting them), You are omnipresent, You have complete form, You are controlling everything, You are instrumental for everybody's life-activities and enemies are being defeated by Your single word 'OM'. By all the above things You are being called Paramatma by the name Gayatri, the same Gayatri I am inviting in my mind (AhvAna), I am welcoming Savitri, I am welcoming Saraswati, I am inviting Chhanddassu, Rishis, Parabrahma, I am inviting LakShmi and Vayu who is well known for His powers. "

For Gayatri verse, Gayatri is Channdassu, Vishwamitra is Rishi and ParamAtma who is called very sacred (savitRinamaka). This ParamAtma is in the following form : His appearance is like fire in His body, His face is like four headed Brahma, He has got the heart which is covered by the whole universe, He appears like Rudra, He has the Sankarshana's hair, He is the earth,

He has yoni sthana, He has five vital airs like prANa, apAna, vyAna, udAna and samAna and He has upa prANa like devadatta, kurma, kRikara, dhananjaya and nAga, His colour appears like blood and He belongs to sankhyasana gotra. He has been called in 24 keshava nAmas, His presence is there in all three places i.e.. earth, vaikuntha and pAtAla, He has covered in all four regions (i.e. North, South, East and West), He has five heads like vyakarana, shikSha, kalpa, nirukta and jyotiSha this Gayatri I am praying and worshipping.)

(For this Gayathri verse, Vishwamitra is Rishi, Sri LakShmi Narayana is devatA, in order to impress Sri LakShmi Narayana, and in order to get love and affection from Sri LakShmi Narayana I am reciting this according to my abilities and capabilities.

While reciting the japa, imagine the following picture of Sri LakShmi Narayana who is the subject and object of your prayer. They are :

Settled in the centre of the Sun, He is sitting in the posture of a yogi (padmasana), He has been decorated with the ornament of shoulder, He has worn ear rings, He has put head gear, He has the necklace, He has the body of hiranya and He has conch shell and wheel on His both hands. The same Sri LakShmi Narayana is the subject and object of my prayer. This prayer is

initiated by Sri LakShmi Narayana and I am praying to please Him and to get love from Him. I am chanting this verse sincerely according to my abilities and capabilities.

Take note of the following guidelines while reciting Gayatri Japa :

1. Laughing/Smiling, talking with others, looking here and there, sitting other than in the posture of yogi, hands together, allowing the mind to wander, touching the places which are below the navel portion etc., which are all unholy, should not be done.
2. Reciting should be with calmness and peace of mind.
3. PrataH Sandhya Gayathri japa can be recited by standing and facing towards the East till the Sunrise. Later it can be recited either standing or sitting. But Madhyanika Gayathri japa and Sayam Sandhya Gayathri japa should be recited only sitting.
4. While counting the beads, cover the right hand either by the left hand or with a cloth and the number of Gayatri mantraH to be recited should be ten or in geometrical progression thereof (i.e. 100, 1000 etc.)
5. Pause after every 5 verses.
6. There are three methods of uttering Gayatri verses. One is by uttering loudly, second is whispering i.e. speaking through lips without being heard by any body and third silently chanting in your mind, always dwelling on their meaning. It is believed that the third method is better than the second and second one is better than the first.
7. Counting of the Gayatri verses should be done through finger beads on circular basis in clockwise direction. Start counting

from middle bead of ring finger (1), come down to bottom bead (2), traverse through bottom (3), middle (4) and top bead (5) of little finger, top of ring finger (6),

8. Hands should rest just above the navel during Pratah

SandhyA, on the

chest during Madhyahnika and on the nose during Sayam SandhyA.

9. Generally, the Gayatri japa should be performed at the same place where SandhyA is performed.)

It is a prayer to ParamAtma to extinguish the impact of all our sins. Hey, ParamAtma, please solve or extinguish all our sins like the boats crossing the stormy ocean, here ocean is like Samsaric hurdles and boat or ship is like You and You have to take through these difficulties and make us happy.

It is also said that You are the cause of knowledge and I pray to you confer that knowledge on us to solve our problems like crushing the somalata (juice) or crushing the enemies or burning enemies, who come out cause difficulties in our life, with the knowledge acquired. (12.1)
