0. If mind is purified, the world is too.

1. Good thoughts lead to good life; good life leads to contentment.

Good deeds increase self-strength; a strong-self guarantees satisfaction.

2. Self-love is our true friend; Self-praise is our enemy.

Love is vital and plaudits should be let off, because Love is our friend and fame is our enemy.

3. A blossomed mind paves way to a blossomed self and a blossomed self to a beautiful world.

An enriched and beautiful world brings all joy, which rests in ultimate bliss.
